The Daylight Store

Hosiery and Underwear.

When buying Hosiery or Underwear you want as good as your money will buy, and it's right that you should. Are you getting good, heavy Hosiery for 12 1-2c and Vests, silk trimmed, in good full sizes, made of lisle finished yarn for 25c? If you are, all right. If not, ask to see some of our special values.

Hosiery.

For thirteen years we have been strengthening our reputation as Hosiery dealers. This season we add another round to our ladder of Hosiery reputation.

Since we took on the Black Cat Brand of Hosiery our trade in that line has more than doubled. You may ask the reason.

No line of Hosiery ever makes a reputation without quality. (Washing and wearing qualities.)

It will pay you better to pay 25c for your Hosiery. Should you rather have two pairs for that price, we have just received a lot of Misses' and Ladies' Spliced Heel Fast Black Hosiery for 12 1/2c per pair.

If you are wanting White Hosiery for Misses, Babies or Ladies, and your Dry Goods store doesn't seem to have your wants, come here. We have them and will be glad of the sale.

IF YOU BUY HERE YOU'RE SAFE

It's a great idea—when a merchant asks ten dollars for a Suit—the buyer offers six and the merchant "takes him up." The question is, who does "he" get? If the "he" means the merchant, HE gets the man's six dollars and his suspicion for evermore. If the "he" is the man, he gets left. If that merchant could afford to sell the garment for less than he asked, why did he not name the lowest price at once? Is that merchant reliable? Can you afford to risk his judgment? He certainly takes quite a load on his shoulders when he attempts to carry trade that way. We guarantee that you will pay here fully as much as your neighbor—and just as surely you'll pay just as little. We further guarantee you your money back on demand if you find your purchase unsatisfactory when you get home. If you buy here you're safe. If you are interested in Spring Suits or Overcoats we want to show you our handsome Spring lines at \$10.00, \$12.00, \$15.00 and \$25.00. If you pay less elsewhere you'll get less value.
